JOURNAL POLICY

International Journal of Comparative Law and Legal Philosophy (IJOCLLEP) is a peer blind reviewed periodical that provides a dynamic platform for dissemination of ideas on comparative law and philosophy of law. As it is hard, in our contemporary globalized world, to confine developments in law to one jurisdiction and isolate them from another, the Journal /is a podium for reports on developments in the field of comparative law from all parts of the world. As also a philosophy of law forum, *IJOCLLEP* provides an opportunity for spread of the results of analysis of transnational legal history and theory, private international law/conflict of laws, and the study of legal systems, cultures, and traditions. *IJOCLLEP* reports debates on and critiques of fundamental concepts and principles of law employing pragmatic approach, as it were, to solve developmental problems. *IJOCLLEP* seeks for papers based on doctrinal or empirical or mixed research methodologies. The Journal is abstracted and indexed with Nigerian Journals Online and Google Scholar. Well researched and original papers on fundamental, topical and relevant subject matters, and case/book reviews are therefore welcome. Articles in *IJOCLLEP* appears promptly captured in Google scholar. Submission of manuscripts can be made all through the year.
